YOUR DAY

Swimming at 12:55, and Week 2 lunches begin

Cheshvan 28 · Toldot ahead · Daily brief at sdltor.github.io/household-groceries/

Zorah, you have Jonah's half-hour swim at the Prosserman JCC this afternoon, after yesterday's hockey at Bill Bolton and Zachary's birthday party.

Toronto starts with a mix of sun and cloud, then turns cloudy near noon. A west wind of 20 km/h, gusting to 40, comes with a high near 10°C. Tonight looks cloudier, with a 60 percent chance of showers and that wind picking up. The Daily brief at sdltor.github.io/household-groceries/ has the running household list.

Week 2 lunches begin on the school calendar today. The first meal is Monday's hamburger, with potato wedges and veggie sticks. Monday is also Sigd. Tuesday starts Rosh Chodesh Kislev. Wednesday is Remembrance Day, with the Grade 8 ceremony and senior boys basketball against Leo Baeck.

COOKING

An upside-down carrot cake with a caramelized topping and tangy cream

Serious Eats skips the layer cake and cream-cheese frosting for a single pan and a 10-minute flip

Zola Gregory's upside-down carrot cake, published Friday on Serious Eats, puts grated carrots in the bottom of a 9-inch pan under a sauce of brown sugar, butter, and lemon juice, then bakes a pecan-studded spice batter on top. After ten minutes out of the oven, the cake is inverted so the sticky carrots become the topping. A dollop of whipped cream folded with sour cream stands in for cream-cheese frosting.

It is a single-layer Sunday bake – useful after a short afternoon swim – and it comes out of a 350°F oven in about 45 minutes. Our note for a kosher kitchen: this is a dairy dessert. Skip it after a meat meal, or serve it with a milchig lunch. That swap-or-timing advice is ours, not the recipe's.

Royal purple is the winter colour – five ways to wear it

Imani-Nia Francis-Tsolaki's November 7 Who What Wear edit names royal purple as the colour that outlasted this year's other brights. She traces it from Tyrian purple through a Miu Miu autumn/winter 2025 revival to this year's Victoria Beckham, Celine, Valentino, Loewe, Tory Burch, and COS, then shows five ways to wear it without saving it for evening.

The easiest everyday version is a rich purple V-neck knit over a white T-shirt with barrel-leg cargo trousers. Other routes go louder – a purple blazer with lime and pink, a purple jumper with taffeta trousers, or a stack of violets with brown trousers. A colour worth noticing on a windy 10°C Sunday.

Possible Love – Lee Chang-dong's new film, now on Netflix

Lee Chang-dong's first film since 2018's Burning follows two Seoul couples whose lives cross when a documentary filmmaker starts recording laid-off workers. Jeon Do-yeon, Sul Kyung-gu, Cho Yeo-jeong, and Zo In-sung star. It won the Silver Lion Grand Jury Prize at Venice, played the Toronto International Film Festival, and is South Korea's submission for Best International Feature at the 99th Academy Awards. DEAR TIMES

The calendar says Week 2 lunches begin today. There is no school on Sunday.

Dear Times, *The school calendar flipped to Week 2 Lunches today, and today is Sunday. There is no cafeteria and no one to hand a lunch bag to. The first meal I can see is a hamburger tomorrow, with potato wedges and veggie sticks. Do I need to send anything, sign anything, or pack a backup today, or is Sunday just the day the menu cycle changes on the calendar?*

— Menu Reader, Toronto

Dear Reader, Sunday is the calendar's way of marking the new cycle, not a lunch to pack. The first Week 2 meal is Monday's hamburger, with potato wedges and veggie sticks. If an order already went in earlier, there is nothing extra to do this morning; Monday is the day that counts. Sigd shares that same school day, which is a better conversation for the walk in than an empty Sunday lunchbox.

WANTED

A Clock That Understands 12:*55*

Seeking a calm household cue that 12:55 means the swim has started, not that it is almost 1:00. Extra credit if it also knows the class is finished at 1:*25*.

Windproof Wrap, Post-Swim

Indoor pool, then a west wind gusting to 40 on the walk back to the car. Looking for something that keeps damp hair from meeting that gust directly.

FOR SALE

Round-Number Arrival Habit, Lightly Used

We have been treating start times as about 1:00. The 12:55 swim has retired that custom. Free to a family that still pads everything to the next hour.

Saturday Momentum, Slightly Dented

Hockey in the afternoon and a birthday party after Havdalah used most of it. What remains is available to anyone facing a short Sunday swim. Damp towels not included.

NOTICES

The Menu Cycle Has Turned

Week 2 lunches now appear on the school calendar, even though today is Sunday. The first tray is tomorrow's hamburger with potato wedges and veggie sticks. No cafeteria opens this morning.

A Short Window at the Pool

Thirty minutes is the whole swim. Families aiming for around 1:00 will catch the last lap. Outside, the west wind is the longer event.
