YOUR DAY

Sushi lunch, a leadership conference, and a cooler cloudy Wednesday

Cheshvan 3 · RHA STUCO at 8:30 · High near 17°C under overcast skies · Daily brief at sdltor.github.io/household-groceries/

Zorah, Jonah's RHA lunch today is sushi and edamame, and the Hebrew date is Cheshvan 3. The student council leadership conference starts at 8:30 a.m.

Looking ahead, Thursday is the Grade 8 CHAT tour with Chinese food. Friday brings a 3:15 dismissal, the Early Years re-registration deadline, and Shabbat Noach with candles at 6:14. CTV / MARY BERG

Mary Berg turns leftover turkey into dumplings in broth

Her Oct. 13 CTV recipe drops herb buttermilk dumplings into leftover turkey, vegetables, and optional gravy.

Mary Berg's leftover turkey and dumplings starts with butter and onion, then chicken broth, optional gravy, chopped turkey, and leftover vegetables. She serves six.

Dumpings are flour, baking powder, buttermilk, chives, and parsley, dropped by the tablespoon into the simmering pot, covered, and cooked about 15 minutes. Lemon juice and spinach go in at the end so the greens wilt in the bowls.

WHO WHAT WEAR

Kristen Nichols names six jacket shapes that carry fall 2026

Kristen Nichols writes that fall 2026 jackets are meant to finish the outfit, not just cover it. She groups the runways into ornate floral jackets, tuxedo jackets, pankou-closure styles, shrunken jackets, evening jackets, and military-inspired cuts.

Saint Laurent's tuxedo jacket is cast as the easy polish over jeans; Gucci's shrunken jackets shorten the proportion; Khaite's military looks keep the structure without costume. Shopping prices stay out of this paper; the useful part is the shape list for cooler Toronto weeks.

RECOMMENDED

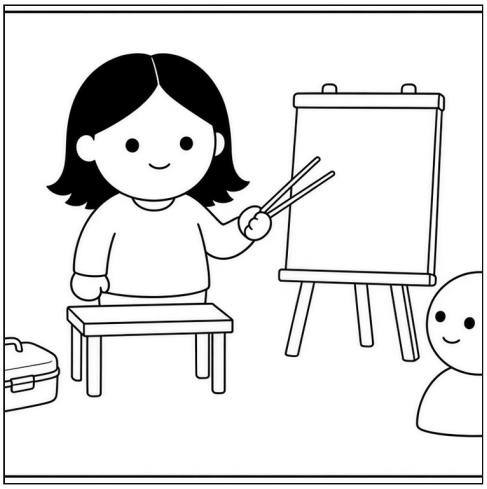

Mary Berg's quick cassoulet for a cooler weeknight

Chatelaine's Mary Berg quick cassoulet keeps the bean-and-sausage comfort of the French classic on a weeknight timeline. It is a different leftover path from her turkey dumplings if you want something baked and sturdy once the high drops into the teens.
Useful when Friday's rain chance climbs and you want one-pot heat without a long braise.

PUZZLES

DEAR TIMES

Do chopsticks belong in a leadership conference?

Dear Times, *Today's RHA lunch is sushi, so the chopsticks went into the lunch box with the rolls. There is also a student council leadership conference at 8:30. I keep picturing the chopsticks used as a pointer on the agenda, then somehow still clean enough for lunch. Is that overthinking a Wednesday, or do I pack a second pair?*

— Two Sets, Toronto

Dear Reader, Pack the chopsticks for lunch and leave the pointer job to a finger or a pen. One tool, one job keeps the sushi edible and the meeting ordinary. If the conference runs long, the lunch box waits; the chopsticks do not need a second career.
